APPRECIATION LETTER

Dear Sir,

With deep appreciation, I thank the administrative staff, scholars, and everyone in the NRI College, who co-operate with inspiration and the strong motivation of their belief to make the work sufficient. The College staff & there students spare no effort to complete the mission of the Institute in reviving education culture & atmosphere with all its depth, richness, and symbolism.

As we conducted a training program on AutoCAD dated 05-Oct., 2015 noticed students efforts & dedication towards it, we also found even staff (HOD & Faculties) having great zeal & co-operation for student's education & make them update through various technologies & trainings, so that they can shape-up their career.

As we had a great experience with the NRI Group of Institution, Bhopal, So we would like to maintain the relation in future by having various advanced training.

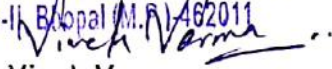

Thanking You,

Yours faithfully,
