Dear Sir,

For the last two years we are associated with your institution and have sponsored some of our employees to pursue BE part time degree course (BE-PTDC) at your institution under RGPV. We express our sincere thanks to your institution for providing the opportunity of pursuing higher education through evening program to our employees. We also acknowledge the immense support provided by your faculty members and administration in this process.

We also encourage industrial visits and internship trainings of your regular students at our plant to provide exposure to contemporary technology and industry practices.

We look forward to continue with this mutually rewarding relationship between your institution and our organization.

With best wishes,

Partha Sarathi Basu
