Expenditure ,If Any	
Mode of Delivery	offline
Remark	It was a very informative session. Dr.Pankaj Parashar addressedbothphenomenathatareEntrepreneurship& Innovationsimultaneously.Inthissessionsirsimplyexplainedtheconnectivitybetweeninnovation&entrepreneurship.
Objectives	The main objective of this program to sensitize the faculty members, researchers and students about the concept of

	<p>Entrepreneurship.</p> <ul style="list-style-type: none"> ▪ At the sametime speaker made everyone aware aboutinnovationculture. ▪ Enlightened everyoneabout itsscopeandcareer options.
Benefits in terms of learning/skill/knowledge development	This programme helps in development of knowledge about Entrepreneurship & innovation culture. That opens a career option. By this way an entrepreneur is born who not only derives advantage by establishing an enterprise but helps others by creating job opportunities.

OverallReportof theActivity	
<i>Date:30/09/2023</i>	<i>Time:10.00AM TO12.00PM</i>
<i>Speaker: Dr. Pankaj Parasar founder cutting edge medical devices pvt. Ltd.</i>	<i>Topic:Workshop on “Prototype/Process Design & Development”</i>
<p>SpeakerProfile: He is a medical technologist and healthcare technology innovator who believes in collaborative relationships and interdisciplinary partnerships.</p>	
<p>KeyLearningandTake-Aways: Dr. Pankaj Parashar addressedbothinnovation&entrepreneurshipsimultaneously.Accordingtohim, bothareverycloselyrelatedphenomena. Innovationrequiresentrepreneurialbehaviour.Inthissession,professorBhaduryemphasizedsomekeyare asthatmustbekeptinmindwhenweareprogressingininnovation&entrepreneurshipthatare-</p> <ul style="list-style-type: none"> • <i>Innovation must be sustainable</i> • <i>It should addressal it hepeople</i> • <i>in the society</i> 	

- Economic growth of the society as well as the country
- Cost effectiveness of the new product or service

According to him, innovation irrespective of the fact that it may be small or large; but it must be unique in nature.

From this session we all learned to identify & address the problem in the existing society, find out its solution in an innovative way that opens the door of entrepreneurship.
