REPORT ON INDUSTRAIL VISIT

NRI Institute of Information Science &technology had organized an industrial visit on 3 January, 2023 to **L.M. Bakers** manufacturer of Parle product located in mandideep industrial area for the first year students of Engineering. The visit was organized by **First Year Department of Engineering** NIIST.

Prof. Amit Singh sir from Mechanical department, Prof. Ram Thakur sir, Prof. Anshul Rawat & Prof Nishtha Chauhan Tg of first year students were the coordinators for the industrial visit. We started travelling from the college campus at 10:30 am via our college bus. Totally 180 students along with faculty members were there in the journey.

Objective

Industrial visits are an integral part of Engineering and acknowledgment of technological up-gradation. The purpose of industrial visit for students is to provide technical knowledge in the industry and to understand the gap between the theoretical and practical knowledge that could be passed in future. This experience can help students to provided information regarding functioning of various industries and associated problems and limitations .The student of first year were very enthustic during the visit and appreciated it. More such programs on regular interval should be organized to be for better understanding of technology.
