6.4.3

NRI Institute of Information Science and Technology Bhopal is a self-financed institution, where the funds are generated through the fees paid by the students. Deficit is managed by taking advance from the parent trust. Additional funding is obtained from by faculty members from funding agencies like AICTE, MPCOST, MHRD through Research proposals and consultancy. These funds are utilized for the research and laboratory development. The institute has a well-defined mechanism to monitor effective and efficient utilization of available financial resources for the development of the academic processes and infrastructure development. Institutional budget is prepared by Principal every year taking into consideration of recurring and non-recurring expenditures. Accordingly, all the administrative and academic heads are requested to submit the budget required for the subsequent financial year. Along with this all coordinators of different cells viz., R& D Cell, Exam Cell, T&P Cell, etc. are instructed to submit their budget to Principal. All the major financial decisions are taken by the Institute's Local Managing Committee and Governing Body (GB). As and when urgent requirements arise it is given after sanctioned revived from Higher Authority of Governing Committee. All the major financial transactions are analyzed and verified by the governing body.
