REPORT ON WEBINAR (ADVANCES IN MATERIAL USING AUTOMOBILES)

FACT SHEET

Event No. : NIIST/11

Academic Year: 2023-2024

Organized by Name/Cell Name: MECHANICAL DEPARTMENT

Title of Event/Activity: ADVANCES IN MATERIAL USING AUTOMOBILES

Date: 25/03/2023 Start Time: 10:00 AM

Employee Name: PROF. RAMNARAYAN SAHU

Organizing Team: DEPARTMENT OF MECHANICAL ENGINEERING

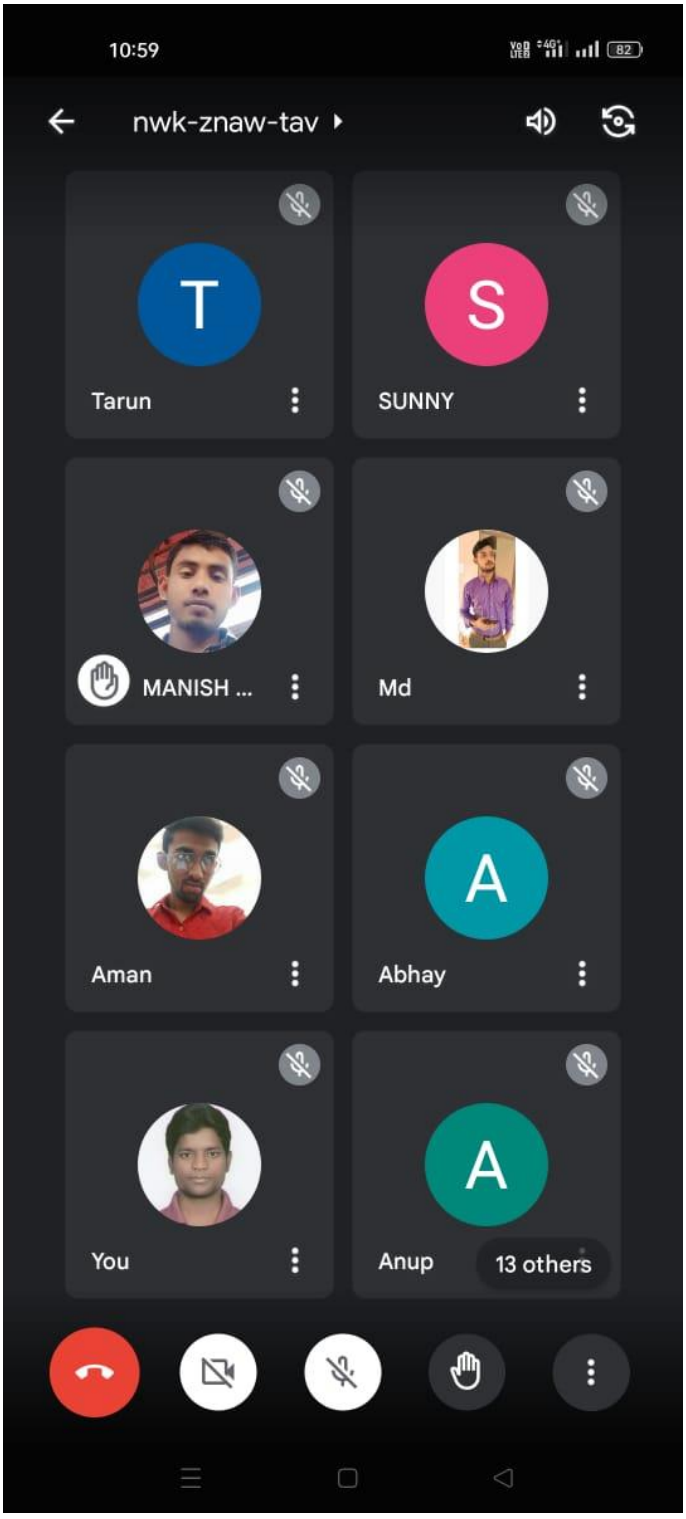

Objective:

Advanced materials can introduce new functionalities and improved properties, while adding value to existing products and processes, in a sustainable approach oriented to resource conservation, low-impact materials, cleaner production, efficient distribution, green use and maintenance.

Semester/Year: ALL YEAR STUDENTS

Total No of Participants: 17

Learning from the event: The advancements in Deep Learning have revolutionized several fields, including image recognition, speech recognition, natural language processing, robotics, and healthcare.

NRI Institute of Information Science & Technology

A Report on "Intellectual Property Awareness online workshop" (17th April 2023)

Event Overview:

The seminar on "Intellectual Property Awareness Webinar" was organized on 17th April 2023 at NRI Institute of Information Science & Technology by Institution Innovation council cell. The session was organized for the students of Bachelor of Engineering, with the permission of Dr Rajeev Arya, Director NIIST BHOPAL .The seminar was organized to provide exposure innovation, IPR.

Objective: The objective of the session was to share the information regarding the patent filling at the institute, the benefits of IPR. The silent objective was also to educate them about need and benefits of patent in the current situation. Program Overview there were 92 participated in the session. The session started at 2:00 PM. Prof. Dr. Mukesh singh has welcome Mr. Arpit Jain (Examiner of Patent and Design Patent Officer) after that Mr. Arpit Jain has initiated the session with the definition of IPR. He added the information regarding legal rights which result from intellectual activity in the sector of Industrial, Scientific, Literary and Artistic fields. The disruptions are the essential in protecting the innovative ideas. The activities of government under IPR were shared with the students. The participants were informed how they can leverage maximum benefit of the IPR. In later part of presentation, he informed about the importance of intellectual property rights and Copyrights & Related Rights. He initiated a session with different IP rights in India and discussed patent, copyright, trademark, geographic Indication, design, and integrated circuit patent. He stated that patents must content novelty, innovation, and industrial application. He also showed various case studies over the patent. He concluded his session by stating the condition in which patent get granted and career opportunity. The event was a grand success under the enlightenment of Dr Rajeev Arya, Director of the institute and the participants.
