The Road to Excellence: Civil Service As A Career Option

REPORT

On December 19, 2023, The NRI Institute of Information Science and Technology, organized one day seminar "AARAMBH" on Preparation strategy for Civil Service Examination, in association with KSG (Khan Study Group).

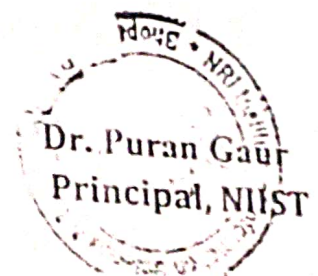

The motto of the Seminar was to make students aware about UPSC Exam and its Preparation Strategy.

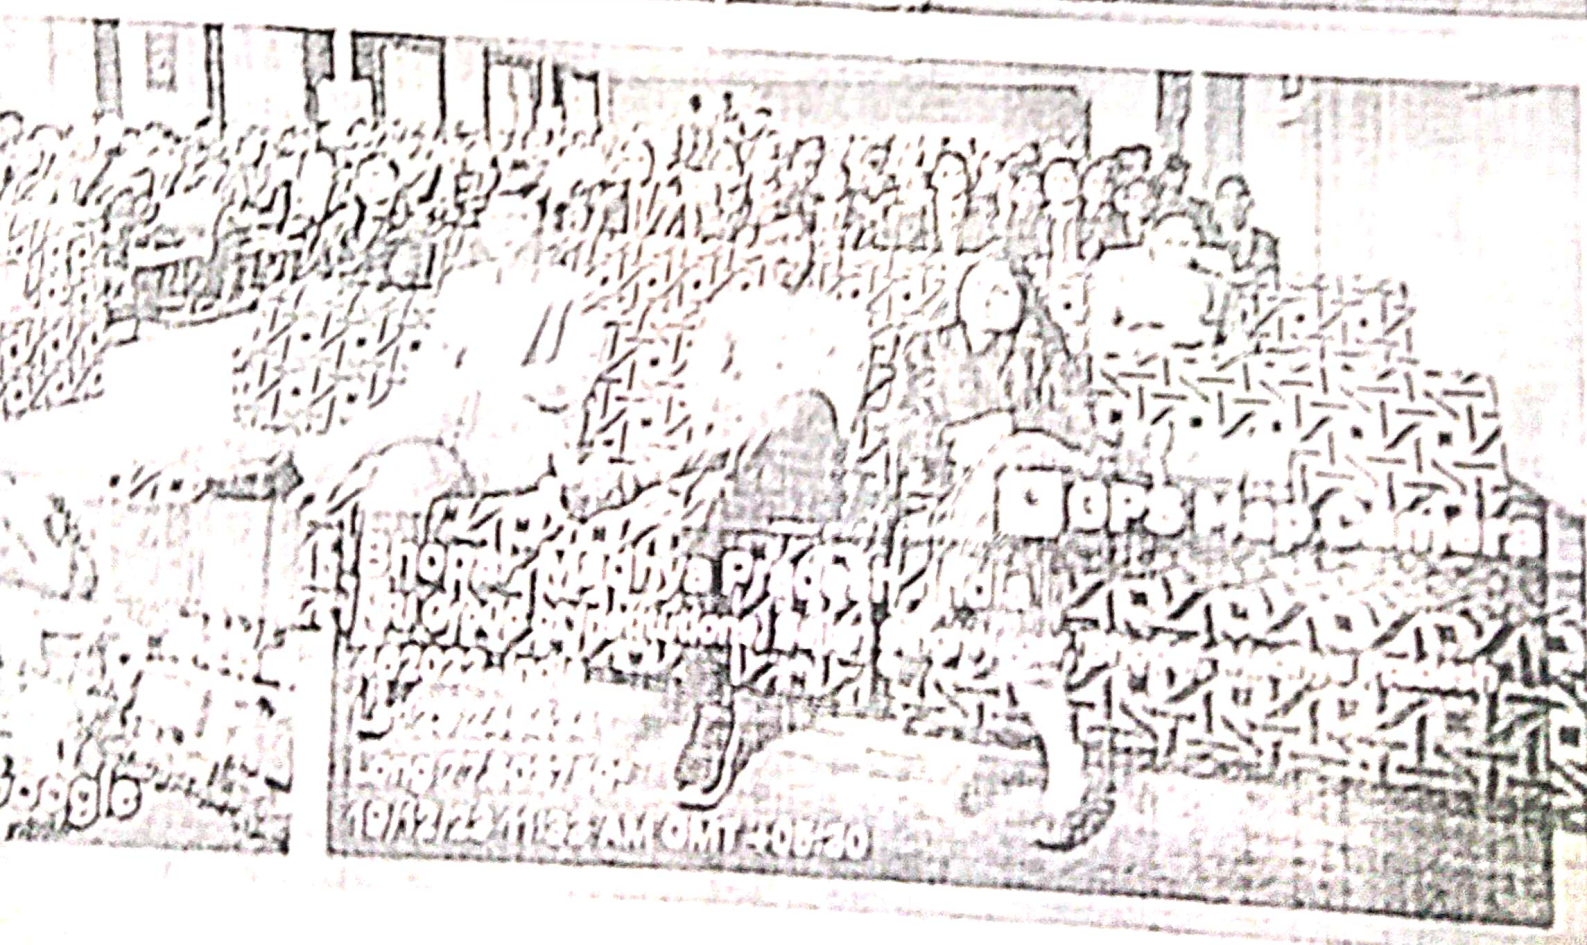

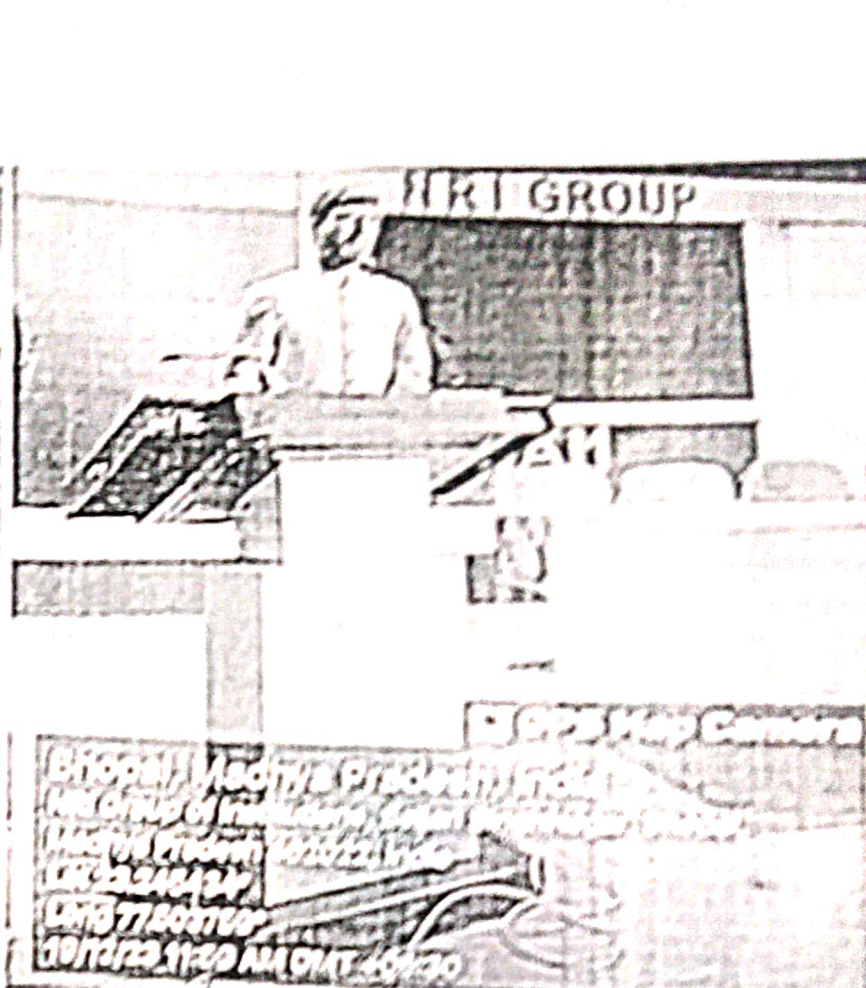

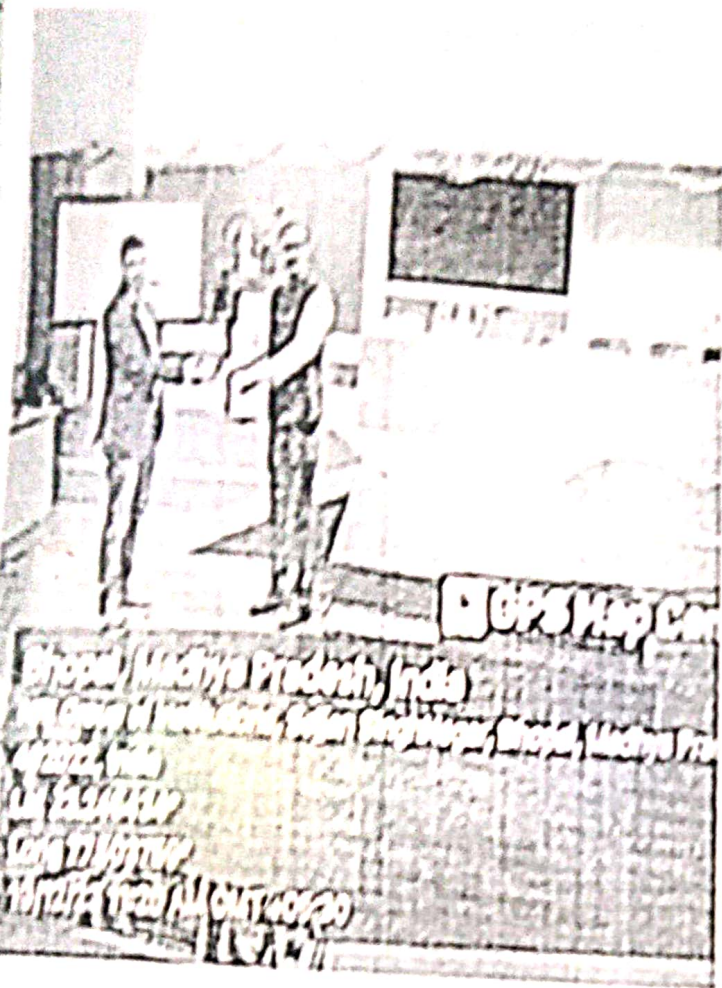

The seminar was inaugurated at 10:30 AM, which was followed by the welcoming of the resource persons Mr. Anshul Singh, Faculty, KSG, Mr. Abdul Gani Khan, Faculty, KSG, and Mr. Mustafa A Shah, Mentor, KSG by Dr. Puran Gour, Principal, NIIST with a sapling.

AT 11:00 AM Mr. Anshul Singh delivered a highly motivating session and made students aware about UPSC Examination. Following which there was a very informative session by Mr. Abdul Gani Khan and Mr. Mustafa A Shah about preparation strategy for UPSC Civil Service Examination.

The entire session was highly interactive and where the attendees interacted with the speaker and clarified their doubts.

The seminar provided the students with enormous knowledge which will help them in their preparation strategy for UPSC Exam. Students loved the seminar as a whole.

Expert Session on "Cyber Crime Awareness and Career Opportunities" on 09 Sep. 23

An expert session on "Cyber Crime Awareness and Career Opportunities" was conducted by the Department of Computer Science and Engineering, NIIST on September 9, 2023. The speaker for the session was Mr. Abhishek Chouriya, founder of MentorBot who also works as a cyber security analyst. Mr. Chouriya briefed the students about the recent cybercrimes happening in the contemporary world and also suggested effective security measures for the same. He further emphasized ethical hacking techniques to prevent malicious attacks and intrusion. He also discussed different career options available in the cybersecurity industry. Cybersecurity is a new emerging topic worldwide. Protecting data in today's era is the main concern as it requires some rigid measures and dedicated technical experts. This brings various job options available in the area of cyber security. The students were able to learn about different sorts of attacks, attackers, security threats, and vulnerabilities present in the computer system, as well as tools and strategies to protect oneself in cyberspace, as a result of this seminar on cyber security and ethical hacking. Prof. Vaibhav Patel coordinated the session. The session saw an overwhelming response as all the students along with the faculty coordinators Prof. Anurag Shrivastava, Prof. Vaibhav Patel, Prof. Santosh Nagar, Prof. Anil Kumar Prajapati, and Prof. Mridulla were present.
