Date 7-7-2023

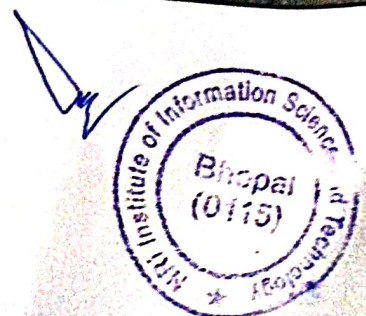

The Internal Quality Assurance Cell (IQAC) has played a vital role in institutionalizing innovative practices to enhance the quality of education and student engagement. Two significant initiatives are:

- 1. Implementation of Outcome-Based Education (OBE):** The IQAC successfully spearheaded the adoption of OBE across the institution. This initiative ensured that all academic programs were aligned with clearly defined Program Outcomes (POs), Program Specific Outcomes (PSOs), and Course Outcomes (COs). Faculty members were trained to design curriculum, teaching strategies, and assessments based on OBE principles, fostering a learner-centric approach. Regular mapping of outcomes, coupled with rigorous evaluation mechanisms, has improved academic delivery and ensured that students acquire industry-relevant skills and competencies.
- 2. Promoting Live Projects and Competitions:** To bridge the gap between theoretical knowledge and practical application, the IQAC encouraged students to participate in initiatives such as Smart India Hackathon, Project Expo, and other innovation-driven competitions. Dedicated mentorship programs, workshops, and infrastructure support were institutionalized to guide students in developing live projects. These platforms have significantly boosted students' creativity, problem-solving skills, and industry readiness, while also enhancing their entrepreneurial and teamwork capabilities.

NPTEL Online Certification

(Funded by the MoE, Govt. of India)

This certificate is awarded to
PRAGYA RAHANGDALE
for successfully completing the course
Data Science for Engineers

with a consolidated score of **54** %

Online Assignments **24/42/25** | Proctored Exam **30/75**

Total number of candidates certified in this course **2868**

Prof. Devendra Jain
Chairman
Center for Transfer and Digital Education (CTDE)

Jan-Mar 2024
(18 week course)

Prof. Andrew Thangaraj
Vice-Chancellor
IIT Madras

Indian Institute of Technology Madras

For more info: TEL240655-48900203

To verify the certificate
