ROLE OF IPR IN GLOBALIZING WORLD

Intellectual property is the creation and innovation of something which is unique and intangible which must be protected. As the role of Intellectual Property and competition are well linked with each other as there is a lot of abuse of dominance in the market which is codified under the competition laws in Indian jurisprudence.

A workshop was held on the topic Role of Intellectual Property rights in Globalizing world on 06 September 2016. The workshop on the Role of Intellectual Property rights in Globalizing world was presented by Prof. Ankit Singh. Around 45 students and 8 teachers attended this workshop.

During the presentation Prof. Ankit Singh explained the various aspects on the role of Intellectual Property and its recent trends in the global world.

“SWOT ANALYSIS”

The Vidyadayini Institute of Science, Management and Technology, Bhopal organized one day National Workshop on SWOT Analysis on 5th October 2016.

In this workshop we know about SWOT Analysis, it stands for Strengths, Weaknesses, Opportunities, and Threats, and so a SWOT Analysis is a technique for assessing these four aspects of your business. We also know about the technique of how to do a SWOT Analysis, and how to use a SWOT Analysis.

SWOT Analysis helps you to build on what you do well, to address what you're lacking, to minimize risks, and to take the greatest possible advantage of chances for success.

The workshop includes key note Strengths, Weaknesses, Opportunities, and Threats.

The huge number of students was participated on that day. Hence, the seminar was successful.

“CAREER OPPORTUNITIES IN COMMERCE”

The Department of Commerce organized one day guest lecture on the topic “career opportunities in commerce” on 20rd December 2016. The growing importances in commerce are increasing and students themselves are opting but lacking to make decision how career should be made in this particular field of commerce. In the field of commerce there are various career opportunities and in this particular one day guest lecture initiative was taken by the department by coordinating various career counselors who told they can become a great business entrepreneur and specially for girls they can become woman director in the companies as it is mandated by the new companies act, 2013 that every listed company should have at least one woman director. So the guest lecture was made successful and student showed their interest it.
