

Objective of the Conference

NRI GROUP OF INSTITUTIONS, BHOPAL

ICETST 2023 will facilitate and promote interdisciplinary research among researchers and help in reducing the gaps between different disciplines ICETST - 2023 is to provide a world class platform for the young researchers throughout the globe to interact with senior scientists, this conference provides opportunities for the different areas delegates to exchange new ideas and application experience face to face and establish research relation.

Call for Papers

Topic that include but not limited:

- Artificial intelligence technique
- Trust Privacy and security
- Knowledge Driven ML and Data mining
- internet of thing, mobile platforms and cloud environment,
- Networking protocol and architecture of IOT
- Soft Computing and Technology, cyber security, robotics
- Cryptography design,
- Technologies for societal needs -real time application of AI, ML
- Recent trends in big data with machine learning ,block chain
- Big Data Analytics, Cloud Computing and Cyber Security
- 3D printing Technologies
- Wireless sensor Networks
- Robotics, Power Systems Controls and Industrial Automation
- Electronics, Communication Circuits and System Design
- astronomy and space technology
- Cosmic ray propagation through interstellar magnetized plasma
- Research Scope in cosmic rays and ionospheric physics
- Advanced Computing and Intelligent Networks
- Analysis and Applications with Fixed point Theory
- Applicable Mathematics in Engineering Sciences and Technology
- Organic and inorganic chemistry
- Concrete technology ,surveying
- Nanotechnology, Microbiology ,biotechnology

About Organizing Institute

NRI GROUP OF INSTITUTIONS, BHOPAL

NRI institute of research and technology Bhopal MP is the best engineering college in Bhopal Established in the year 2008 .it promotes and inculcates academic excellence along with leadership, self confidence, mutual respect and a sense of global identity. The college is awarded as nodal centre for virtual labs for students in collaboration with IIT Delhi. Students Develop creativity and spirit of innovation and relish the board under graduate research opportunities to realize their potential to fullest.
